Chair-ity is a non-profit organization that provides furniture and household goods at no cost to young adults aging out of foster care. We are committed to creating a sense of home for those who have never had one. Through furnishing their apartments, these young adults gain a sense of dignity, ownership, and pride in their new space to set them up for a successful future.

All dollars raised at this event will go towards furnishing homes for youth aging out of foster care. We developed a process to guarantee a trustworthy delivery to create a space where the young adults can find a renewed sense of self-dignity and purpose.
